

Midwest: Others Say It Best

“I would recommend that any nursing care facility **invest** in this wonderful product to improve the quality of life for residents **and witness** the happiness it brings to others.”

– Administrator, Oakview Medical Care Facility, Ludington, Michigan

“The WhisperGLIDE Swing has **greatly increased** the **use** of our outdoor **patio.**”

– Director of Therapeutic Recreation, Ebenezer Ridges Care Center, Burnsville, MN

“The WhisperGLIDE **benefits not only** the residents, but staff and visitors as well.”

– Volunteers/Activities Dept., Manteno Veterans Home, Manteno, Illinois

“Our swings are inside, in front of big windows. The **residents love both** the two-bench and the wheelchair models!”

– Recreation Therapist, Indiana Veterans Home, West Lafayette, Indiana

South-SouthEast: Others Say It Best

“The swing is an incredible tool to lessen anxiety for our dementia-specific residents, and has offered **a common ground** to facilitate comfortable visits from family members of all ages.”

– Director of Research and Education, Gulf Coast Village, Cape Coral, FL

“Because the swing has such low ground clearance, (residents) have no problem **entering or exiting** the swing.”

– Executive Director, Florida Presbyterian Homes, Lakeland, FL

“The WhisperGLIDE swing has truly helped to produce many days of **smiles, laughter and just plain fun.**”

– Activity Department, Lutheran Home Hickory West, Hickory, NC

“We asked for donations to purchase **one** last October and by May we owned **three!**”

– Activities Coordinator, Three Pillars Masonic, Macon, Georgia
